## **CIRCULAR LETTER NO. 35**

8 July 2021

---

**SKS 21-354/2009 – Selskabet af 1. september 2008 in bankruptcy – CBR no.  
50020010 (the former Roskilde Bank A/S), Algade 14, DK-4000 Roskilde**

***Biannual Report in pursuance of section 125(3) of the Danish Bankruptcy Act***

### **1. Introduction**

In the first six months of 2021, I have prepared and circulated the following circular letter:

- Circular Letter no. 34 of 8 January 2021, including Biannual Report.

### **2. General administration of the estate**

In the first six months of 2021, I have been engaged in the following activities:

#### **2.1 Examination of the claims filed against the bankrupt estate**

I do not expect to receive any new claims filed against the estate, as such claims will be considered time-barred.

#### **2.2 Legal action brought by Finansiell Stabilitet against the former management and auditors of the bank**

7 days in November 2022 have been scheduled for the final hearing of the case before the Danish Supreme Court.

I do not expect that the result of the appeal will have (financial) consequences for the unsecured (i.e. the subordinated) creditors in the bankrupt estate of Roskilde Bank, who are thereby still not expected to receive coverage.

## 2.3 Other activities

- Handling of inquiries made by creditors and the bailiff court regarding claims transferred to the new bank (and third parties)
- Handling of monthly invoices from VP Securities.

## 3. **Fee requests etc.**

No fee requests have been submitted to the court during the first six months of 2021.

## 4. **Winding up of the estate**

The final hearing in the so-called liability case has been scheduled for the first half of November 2022 in the Supreme Court. Accordingly, it ought be possible following the months hereafter at the latest to wind up the bankrupt estate.

Since the result of the case will not influence the failing coverage in the estate for subordinated creditors, I will attempt to finalise the estate earlier; if possible, before the expiry of 2021.
